

BALANCED

Home Cooked Diet

for Dogs

INGREDIENTS

85% lean ground beef - 7 1/8 oz
Potato - 1 1/4 small white
Olive oil - 5 1/4 tsp
Green beans - 1/4 cup canned
Carrot - 1/4 cup grated
Balance It Canine Plus - 2 7/8 tsp

COOKING DIRECTIONS

- Heat ground beef in a cooking pan until fully cooked in crumbles, about 5 minute.
- Bake potatoes in a 400 degree preheated oven for about 30 minutes or until tender.
- Peel potato and cut into bite-sized pieces.
- Combine all food ingredients with the Balance It Canine Plus supplement and mix well.
- Freeze in single servings for convenience.

Please note: Balance It Canine Plus can only be heated one time, so this should be after thawing and right before serving to your pup!

NUTRITION FACTS

Calories: 904 calories
Protein: 28% protein calories (251 calories)
Fat: 54% fat calories (491 calories)
Carbohydrates: 18% carbohydrate calories (162 calories)
Moisture: 65.2%
Deficiencies: None, based on AAFCO with Balance It supplement

This recipe provides enough daily calories for a healthy 35 pound dog. You can multiply this recipe by 7-14 to batch cook 1-3 weeks worth of food. Meals can be frozen for up to 3 weeks only. To determine how many daily calories your pup requires to maintain a healthy diet, please reference our blog at <https://boulderholisticvet.com/how-much-should-feed-pet/>.

STORAGE

Meals can be frozen for up to 3 weeks only, any longer can cause vitamin degradation. **These recipes are only considered balanced and free of deficiencies when the Balance It supplement is included.** Freeze each serving separately for convenience!
